PARENT OR GUARDIAN

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, offensive and dangerous.

I accept that while teachers always will exercise their duty of care, protection against harmful information must depend finally upon responsible use by students.

I believe _____ (Name of Student) understands this responsibility, and I hereby give permission for him/her to access the internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
